Vishveshvar padpadam ki raj nij shish lagay

Annapurna tav suyash barano kavi matilay.

Nitya aanand karini mata, var aru abhay bhav prkhyata.

Jay! soundary sindhu jag janani, akhil pap har bhav harani.

Shavet badan par shavet basan puni, santan tuv pad sevati rishimuni.

Kashi puradhisvari mata, maheshvari sakal jag trata.

Vrishbharudh nam rudrani, vishav viharini jay! kalyani.

Patidevta sutii shiromani, padavi prapat kinhi giri nandini

Pati vichoh dukh sahi nahi pava, yog agni tab badan jarava.

Deh tajat shiv charan snehu, rakhehu jat himgiri ghehu.

Prakati girija nam dharayo, ati anand bhavan manh chayo.

Narad ne tab tohin bharamayhu, byah karan hit path pdhayhu.

Brahma varun kuber ganaye, devraj aadik gaye.

Sab devan ko sujas bakhani, mati palatan ki man thani.

Nij ko tab narad ghabaraye, tab pran puran mantra pdhaye.

Karan hetu tap tohi updeshu, sant vachan tum satya parekhehu.

Gagangira suni tari na tare, Brahma tav tum pas padhare.

Kahehu putri var mangu anupa, dehun aaj tuv mati anurupa

Tum tap kinh alokik bhari, kasht uthayahu ati sukumari.

Aab sandeh chhadi kacchu moson, hai sogandh nahi chhal toson.

Karat ved vid brahma janhu, vachan mor yeh sancha manhu.

Taji sankoch kahahu nij iccha, dehon mai manmani bhiksha.

Suni Brahma ki madhuri bani, mukh son kachu musukaye bhavani.

Boli tum ka kahahu vidhata, tum to jag ke sashtradhata.

Mam kamna gupt nahin toson, kahvava chahahu ka moson.

Daksh yayg mahn marati bara, shambunath puni hohin hamara.

So aab milhin mohin manbhaye, kahi tathastu vidhi dham sidhaye.

Tab girija shanker tav bhayu, phal kamna sanshyo gayau.

Chanderkoti ravi koti prakasha, tab aanan mahn karat nivasa.

Mala pustak ankush sohe, kar mahn apar pash man mohin.

Annpurne! sadapurne, aaj aanvagh anant purne.

Kripa sagari kshemkari man, bhav vibhuti aanand bhari man.

Kamal vilochan vilsit bhale, devi kalike chandi karale.

Tum kailash mahin hai girija, vilsa anand sath sindhuja.

Svarag mahalakshmi kahalayi, martey lok lakshmi padpayi.

Vilsa sab mahn sarv sarupa, sevati tohin amar pur bhupa.

Jo padhihi yeh tav chalisa, phal pahin shubh sakhi isa.

Parat samay jo jan man layo, padhini bhakti suruchi adhikayo.

Stri kalatr pati mitr putr yut, paramashvarya labh lahi adhabhut.

Raj vimukh ko raj divave, jas tero jan sujas badhavei.

Path maha mud mangal data, bhakt manovanchit nidhi pata.

Jo yeh chalisa subhag, padhi naveigen math.

Tineke karaj siddh, sab sakhi kashinath.
